High above the sophisticated Pompano Beach streets within the Solemar condominium is one of Perla Lichi Design's most chic, modern interior designs. Upon entry, visitors are immersed in natural light in this luxurious home with a see-thru view. East and west-facing windows envelop the home, guaranteeing a picturesque view of Florida's Intracoastal skyline or the vast azure Atlantic Ocean. Perla Lichi's intelligently placed mirrors throughout the living and dining rooms further expand the impression of space in the unit and promise glimpses of the Intracoastal and the endless ocean whether you are being hugged by the soft leather sofa or seated on one of the suede barstools.

The Perla Lichi Design team remodeled this unit to create a luxurious haven, perfect for family vacations or a permanent residence. They brought the outside in with a color palette inspired by sandy beaches, accented by cool water tones and light, organic textures. Accessories with brushed grain and golden sheen are scattered throughout the home, while marble countertops and wall art with hypnotic patterns imply a sense of flow through the space. The modern furnishings, carefully curated to align with the owner's chic sensibilities, evoke a design flair reminiscent of Armani and Fendi, imbuing the ambiance with a luxurious vibe.

The kitchen's leather barstools and Italian-crafted, fine wood grain cabinetry with light gray hues establish an inviting atmosphere. Perfect for having a cappuccino on a clear crisp morning or an espresso shot in an evening of entertaining guests. The sleek, push-to-open cabinets maintain a smooth surface free of handles or knobs, further emphasizing the modern design principles, yet are practical for everyday use.

Dining in a Perla-designed home is elevated to a luxurious event when seated on Fendi-inspired leather chairs, amidst the backdrop of the Intracoastal and intricate wall art. The stark white glistening marble floor avoids overpowering thanks to the textured warm, pale dining table and cheekily placed vases that break up the geometrical theming with soft curves and warm earth tones.

This lavish unit boasts dazzling bedrooms, each a Perla Lichi creation, designed at the height of modern design aesthetics with her signature flair for playful elements. Luxuriously soft, cool-toned gray bedding is anchored by textured silver wallpaper and an Armani-esque headboard for sleeping in style.

The bath echoes the stylistic harmony of the other rooms in this Perla Lichi masterpiece. LED-lit mirrors bathe the space in a sophisticated glow, both fashionable and functional. A macro-photograph of an ocean-colored geode reinforces the philosophy of integrating the outdoors with the chic interior.

Carefully chosen accessories are kept to a minimum, maintaining an air of whimsy. The bottles of scented oils, both practical and as clever color accents, stand out, but the true showstopper is the swirling sculpture that emulates water flow from a shower. All these elements work together to elevate a bath into a luxurious spa experience.
